RE: OFSTED INSPECTION 25 – 26 September 2014.

‘This is a good school’ Ofsted 2014

Please find attached the published Ofsted Inspection report for St John & St James CE Primary School held at the end of September.

If you wish to view this report online, it can be found on www.ofsted.gov.uk.

St John & St James CE Primary School was inspected by three inspectors for two days and they met with parents, pupils, staff, governors, representatives from the local authority and LDBS; they collected questionnaires from staff; no evidence was gained from the online questionnaire (Parent View) as there were too few responses, they looked at parent questionnaires completed in May: they observed the children in classrooms and in the playground, before, during and after school hours; they also looked at school documents and policies.

The school was judged to be ‘Good’ in all five areas; Leadership and Management, Behaviour and safety of pupils, Quality of teaching, Achievement of pupils and Early years provision. Here are a few headlines from the report:

‘This is a good school. Standards have risen rapidly since the last inspection due to strong and effective leadership.’

‘This is a caring school that fully involves all the pupils.’

‘Pupils behave well in and around school. Pupils are polite and respectful’

‘Pupils’ spiritual, moral, social and cultural development is a strong feature of the school.’

We were particularly pleased that Ofsted observed and noted strengths of the school. Ofsted have also noted the areas that we as a school need to work on to become Outstanding and these are explained fully in the report under the section ‘What does the school need to do to improve further?’

The governors and staff of St John & St James would like to thank all parents for their continued support.

Yours sincerely
