

Year 4 Homework

Autumn One

Choose 1 activity to complete each week and hand in to your class teacher on Thursday morning. You should complete at least 5 activities, but you may do more if you wish.

Visit the library every week and borrow non-fiction books. Keep a log of the books you borrow and write a review of the best one.

Create a food chain, drawing pictures or using clip art, based on animals and plants you would find in Africa.

Design a poster to promote tourism in Ghana (Include some interesting facts about the place to encourage people to visit the country).

Make a detailed labelled diagram or write a job description for a Tooth Fairy. You could also pretend to be a Tooth Fairy and write a diary entry of the best/worst night.

Go on a safari and notice as many birds, bugs, creepy-crawlies and any other animals as you can. Include anything that walks, crawls, swims or flies etc. Think about how you could present what you saw in an interesting way.

Use the Mathletics and TT rockstars website everyday to improve your mathematical skills.

Make your own African percussion instrument.
