

Nursery 'learning at home'. Autumn 1

Here are some ideas of things you can do at home to help with your child's learning.

Please can you try to do at least 5 activities during the half term.

Parents and carers, please can you come in at 11.30am every Wednesday for our 'Come learn with me' session when we will be giving you more ideas of things you can do at home.

1. Bring your favourite story book into Nursery to show to your friends.

2. Can you try hard to put on your own coat and shoes. Tell the Nursery teachers when you can do this by yourself.

3. Please can you save some small boxes eg toothpaste, small cereal boxes, and bring them into Nursery so we can make things with them.

8. Please practice using a pencil to make marks on paper.

4. What shapes can you find at home?

Please take a picture and email it into us at EYFS@Stjohnandjames.enfield.sch.uk

7. What is changing around us?

When you go to the park take photos of what you can see is changing as we enter into

Autumn. Send these to EYFS@Stjohnandjames.enfield.sch.uk

6.

Can you tidy up your toys when you have finished playing with them and tell your Nursery teachers when you can do this by yourself.

5. Can you find some numbers when you are about and about with your family?

What number is on your front door? What numbers can you see on the bus? What numbers can you see on the cars?

Can you email us a picture of what you can find.
