

Maths Challenge

Maths activities for all the family

Weekly Challenges

Send us pictures of your work!

Enfield School and Early Years Improvement Service are running weekly maths challenges for children and families

You can take part from home or, if your parents/carers are key workers, from school.

Challenge 7

Fluency card games

Suggested age range: 5-11

These videos give ideas for playing fluency maths games with playing cards and Twister. They are good for playing games with mixed age children and as a family. They are fun and develop mathematical fluency!
