Dear Parent/Carer,

Re: Maintenance Fund – formerly known as the School Redevelopment Fund

St John & St James is a Voluntary Aided School. This means the school Governors are required each year to pay into the Diocesan Maintenance Fund a sum for every child in the school. The fund is used to pay for repairs, redecoration, alterations and additions to all Church Schools within the Diocese.

As a Voluntary Aided school we do not receive capital money from Local Government or the London Borough of Enfield and therefore the London Diocese is required to raise this money through each school.

Our school, St John & St James would not be able to undertake the modernisation and redevelopment of our school building without the assistance of the Diocese Maintenance Fund and the governing body is grateful and thankful.

The Maintenance Fund for the academic year 2020-2021 is £39.00 for each child here at St John & St James. If you prefer to pay termly then the amount will be £13 per term (3 terms).

Please support us by making your contribution to the School Development Fund. If you wish to discuss payments, or to set up Gift Aiding your contribution please contact the school office.

We look forward with grateful thanks for your contribution.

Yours sincerely

Mrs P Cuncarr
