

The story of creation.

This week we want you to answer some questions about the story of creation.

Watch this video and tell an adult at home the answers. If you want to you can write them down or email them over to your teacher on Purplemash but you do not have to.

What do you know about the story in the Bible that talks about God creating the world?

Why do you think God said 'it is very good' when he made humans?

What do Christians believe God asked them to do?

What was the world like when it was first made?

Have you ever done anything wrong?

Why do you think people make bad choices and hurt people?

How do you think sin has affected the world?
